Subject: Deficient Notice of Intention to Commence Small Mining Operations, Bromide Mining LLC, Bromide Basin Mine, S/017/0031, Garfield County, Utah

Dear Mr. Azoulay:

The Division has reviewed the referenced Notice of Intention to Commence Small Mining Operations (NOI), and the following items need to be corrected before the NOI can be determined complete:

1. According to information from the Utah Division of Corporations, Avraham Azoulay and Erez Goldgraber are the managers of Bromide Mining LLC, and this is not consistent with information supplied in the NOI. Please make appropriate changes in the NOI, update the information on file with the Division of Corporations, or provide evidence that the information in the NOI is correct.
2. The NOI must be signed by a manager or member of Bromide Mining LLC, and Laure Salerno is not listed with the Division of Corporations as a manager or member. Please provide evidence that Laure Salerno is a manager or member, change the information on file with the Division of Corporations, or submit a new signature page with the signature of Avraham Azoulay or Erez Goldgraber.

Please provide your response as replacement pages to your original NOI, using Form MR-REV-SMO/EXP, available on the Division's web site at www.ogm.utah.gov

If you have any questions regarding this letter, please call me at 801-538-5261 or Wayne Western at 801-538-5263. In reply, please refer to file number S/017/0031. Thank you for your cooperation.

Sincerely,

Paul B. Baker

Minerals Program Manager
